Hi Julie,

Did you get a chance to send the Technical Supervisor information to Peggy?

Let me know...Dina

Subject: Technical Supervisors and QI

Hi All,

Please forward Peggy a list of the Technical Supervisors for the lab areas this week. You can send her the original personnel list that she distributed during our planning meetings with your modifications. We need this information in order to begin the next steps in our transition.

Thanks...Dina

Hi Dina,

QA has not received the names of the Technical Supervisors for the labs or the updated personnel lists. I believe we (QA and Directors) agreed to have those lists submitted to QA by Friday, April 6.

Would you please let me know if the Directors are still working on their lists and when we may expect to receive them?

Thanks,

Peggy
